The housing services described in this agreement are being offered to you under the terms and conditions stated herein.

Your acknowledgment on the College Dormitory Request form indicates that you have read, understand and agree to be bound by all of the terms and conditions of this contract. This agreement will become legally binding on both parties when the required 100.00 deposit is received.

1. **Eligibility:** You must be an enrolled student at the University of Wisconsin-Madison, be attending the University as a guest for academic reasons or be determined to be otherwise eligible by the Director of the Farm and Industry Short Course. The College reserves the right to terminate your contract if you are registered for or reduce your credit load to less than 12 credits.
2. **Contract Term:** This contract is for a term to last from November 1st or 2nd, 2014 until March 28th, 2015.
3. **College Agrees:** The College agrees to provide you with housing in the Short Course Dorms (Humphrey or Jorns Halls) under the terms and conditions herein stated.
4. **Resident Agrees:** By executing this contract you agree to comply with all applicable provisions of Federal and State law and the University of Wisconsin System Administrative Code, and all applicable College rules, policies, regulations, and administrative procedures and you agree to make full payment of all fees specified in the payment section of this agreement. Immediate responsibility for seeing that the terms of the contract are carried out rests with the Short Course Dorms House Fellows. Failure to respond satisfactorily to the authority vested in Short Course Dorm House fellows will be grounds for instituting removal procedures from the dorms.
5. University regulations are presented in the publication "Short Course Dorm Handbook", which all students receive upon move in at the dormitory.
6. **Rates:** Dormitory rates are dependent on time of reservation and will be provided prior to reservation. Rates for FISC students include a food service membership fee for use of the Residence Halls Food Plan.
7. **Payment and Obligations:**
 - a. During the year, residents will receive 3 bills, one for each term, made payable to the Short Course Dorm Office, Room B112 Jorns Hall, 650 Babcock Dr., Madison, WI 53706. All housing bills will be sent electronically to the resident's UW-Madison wisc.edu emailing address, as well as a hard copy that will be placed to the resident's dorm mailbox. Late payments will result in a late payment fee assessment of \$50.00.

- b. A deposit of \$100.00 must be made when submitting the Contract Acceptance Form in addition to the regular dormitory fee. This deposit is held on the principle of "good faith", recognition on your part that you are occupying facilities belonging to the citizens of Wisconsin provided for your temporary use and that the property must remain in good condition for other users who will follow you. The deposit will be returned to you in total at the termination of this contract unless you are deemed responsible for damages as outlined below, fail to maintain reasonable housekeeping responsibilities, or fail to make any payments when assessed.
- c. You agree to pay for any damages, lost property or unnecessary service costs caused by you to the Short Course Dorms. Any/all damage costs will be deducted from your deposit. Any outstanding balance after damage deposit is depleted will be billed for assignable damage to the building and for damaged or missing furniture or equipment. Such charges must be paid within 15 days after billing.
 - i. Where two or more students occupy the same room and responsibility for damage or loss in the room cannot be ascertained by the College after having given the students an opportunity to explain the damage or loss, the cost of damage or loss will be divided and assessed equally between or among the occupants of the room.
 - ii. When damage is done in common area spaces, if the responsible person is not held accountable the total cost of the damage(s) will be divided out amongst all floor members and will be deducted from the damage deposit.

8. Release, Refund and Forfeiture Policies

- a. You may apply in writing to the Assistant Director of the Farm and Industry Short Course Program for a release from your contractual obligation, however, the Assistant Director retains the right to grant or deny any request for release;
 - i. A release from this contract will only be granted upon receipt of full payment of remaining balance on Short Course Dorm rent and dining service fees.
 - ii. A release granted under this section does not relieve you from any and all remaining responsibilities assumed under the remainder of this contract.
- b. Prior to Beginning of or During Contract Term- A contract release granted for any of the following reasons will not require a forfeiture:
 - i. Being officially dropped from the University for academic reasons
 - ii. Substantial and unanticipated financial hardship
 - iii. Withdrawal from the University

9. Termination of Contract:

- a. **Termination by the College:** The College may terminate this agreement under conditions stated in the following circumstances:
 - i. **Exigency:** The College may terminate or temporarily suspend performance of any part of this agreement without notice in the event of an exigency which would make continued operation for student housing not feasible.
 - ii. **Violation of Rules and Regulations:** The College may terminate this agreement with appropriate notice if, after a hearing and opportunity for appeal as provided for in the Disciplinary Action section of this agreement, the resident is found to have violated rules or regulations as listed in the New Student Information Handbook and other campus publications.

- iii. **Failure to Comply With Contract:** If you fail to comply with any portion of this agreement, the College may terminate this contract with appropriate notice.
10. **Indebtedness:** Failure to satisfy the financial obligations accrued under this agreement may result in the denial of issuance/transfer of grade transcripts and/or enrollment; and/or dismissal from the Short Course Dorms, pursuant to University rules and regulations governing the imposition of these actions.
11. **Assignment Policy:** The College will not discriminate in room or hall assignment on the basis of race, sexual orientation, color, religion, national origin or ancestry. The College reserves the right to make room and hall assignments, to assign roommates and to consolidate vacancies by requiring residents to move from single or double occupancy of rooms whenever necessary to make the most efficient use of the space available.
12. **Room Changes:** When there are personality conflicts among roommates or when for other good and valid reasons a room change is desired, a resident should contact their House Fellow. The room occupants along with the House Fellow will review the roommate agreement or if one has not been done, one needs to be completed. After that point, a further request for a room change should be made to the Assistant Director. Depending on the circumstances the Assistant Director may approve or deny the request. Unauthorized room changes or failure to move to consolidate space on request of the Short Course Assistant Director will likely result in disciplinary action, and/or contract termination.
13. **Contract Assignment:** This contract cannot be reassigned by you to any other person. You may not sublet any part of the premises.
14. **Liability:** The University of Wisconsin-Madison and the College are not liable for property belonging to you which may be lost, stolen, or damaged in any way wherever this may occur on the premises including storage facilities.
